TWDC Night Out!

The Tiwari Watson team enjoyed a lovely night out, starting off at the Tennent's Brewery where we had a masterclass in cooking our own dinner and then making cocktails! Afterwards we made our way to the Corinthian Club for some dancing.

We have currently invested and updated some of our technology devices here at Tiwari Watson! We have brought in signature pads to each of our surgery's so the dentist can give you a breakdown and an estimate of your treatment, if you are happy with it all, it just requires a signature. We also have a new phone system in place with an 'On Hold' message therefore if your call isn't answered straight away don't hang up!! Your call will be took as soon as it can be. Now we have 2 lines, if there is enough staff more calls will be answered.

In case of any confusion our contact number is still the same!

Don't miss out!!
