

Invisalign arrives at TWDC

Our dentist Raashi has recently completed her training in Invisalign. This is an alternative to fixed braces – an invisible, removable aligner. Pop in or give us a call for more information. As an introductory offer we are giving £500 OFF the original price to the first 10 patients that wish to go ahead with the treatment. So hurry up! If you're not fast your last!!

What's New?

We now have new video glasses to wear during your dental treatment. Ideal for nervous patients as it is aimed to make your visit more enjoyable not to mention relaxing. With a wide range of films to choose from to suit

Joe Return's to University

Joe has started back his 2nd year master's degree in Dental Implants. He will now be returning to the University of Manchester every Monday to study.

Staff Xmas Party Night

This year for our staff's Christmas night out we will be going to see the pantomime 'Alice in weegieland' followed by dinner and drinks, we are all really looking forward to it and to celebrate the festive season.

Competition Time!!

Here's your chance to win a FREE air flow scale and polish. All you have to do is guess which tooth is the implant. Email us at info@tiwariwatsondentalcare.co.uk or give us a message on Facebook to submit your answer. Good luck!!
