PRF COURSE

Earlier this month our dentist Joe attended a course on 'PRF' at Cambridge University. 'PRF' stands for platelet rich fibrin and is an exciting new field in implant dentistry. It involves taking small sample of blood from a patient to create a special high fibrin clot which is used to help the gum and bone repair and grow! Some of you may have had it already and will know that it can help reduce pain and swelling from any surgical procedures. As you may be aware Joe is sitting a masters degree in dental implants at the University of Manchester which is due to finish this year, he is doing a research project to look into the benefits of PRF!

Friends and Family Test Results

Each month we survey our patients and we are proud to say that this month 94% of you said that you would recommend us to friends and family - thank you!!

National Smile Month is the largest and longest-running campaign to promote good oral health. It is about sharing positive messages and engaging others in developing and maintaining a healthy mouth. This month the campaign is running between 14th May and 14th June.

Notice something new?

Here at Tiwari Watson Dental Care, we decided to change our uniforms to now navy blue for our nurses, grey for our dentists and teal for our therapists. Here is a picture of our Nurses Gemma, Danielle, Tiegan and Lauren wearing their new uniforms!

Competition Time

We can now reveal that the winning answer for last month's competition of 'how many days has Tiwari Watson Dental Care been open until the 30th of April?' was 1020 Days! Although no one had guessed this exact number our closest guess was only 10 days out as they guessed 1030, so this month's winner is Stephen Ohara, well done Stephen we hope you enjoy your free scale and air flow polish!

Our Tooth whitening competition is now back on, you now have the chance to win a free Tooth whitening kit all you need do is either leave us a Google/ Facebook review, share our Facebook page or check in on Facebook. We wish you the best of luck!

Winner will be revealed at the end of June

This Kit could be yours, you do not want to miss out!

The air flow polish leaves excellent results!

New Hours

We have recently had a higher volume of patients requesting earlier morning appointments. Earlier opening may be an option for those patients who would like to come in before work. Therefore, we are considering changing our opening hours slightly as follows:

Monday- 9am until 6pm, Tuesday -9am until 8pm,

Wednesday- 8am until 5pm, Thursday -8am until 5pm,

Friday -8am until 4pm.

Please feel free to give any suggestions/comments on our new possible hours. We have a suggestion box available at reception, you can also send an email to info@tiwariwatsondentalcare.co.uk

Smile of the Month - This month's smile makeover:

This month's smile of the month consists of a combination of invisible braces and cosmetic veneers.

If you would like to find out more about any of these treatments please ask at reception for more details or our dentists would be more than happy to answer any queries you may have!

What you said about us this month...

Thanks to Amy and Adele for leaving us these kind reviews ↓↓

Would definitely recommend this practice. Everyone, has been nothing but friendly every time I have been. Laura is fantastic. Very kind and gentle and puts you at ease. She's a real credit to your practice. - Amy

Best dentist ever! Friendly team, who always want to help! They go more than extra mile to help you out! They also make you feel super comfortable in dental practice. – Adele

We greatly appreciate these and cannot thank our patients enough!
