

Tiwari Watson Dental Care Newsletter October 2018

5 Star Treatment
As Rated By Patients On WhatClinic.com

**WE HAVE A
WINNER**

After last month's competition of guessing the location of this photograph, we can now reveal that this was taken in the city of Venice in Italy. We had multiple correct answers so the only fair enough way was to pick a name through the use of a name generator, and the lucky winner was Nicola Boyle. Congratulations! We hope you enjoy your 50% off facial aesthetics. We would like to thank each and every one of you who had participated in last month's competition.

Its Competition Time

October is National Oral Hygiene Month, an effort to celebrate the work dental hygienists do and to help raise awareness of the importance of good oral hygiene. Therefore, for this month's competition we are offering you the chance to win a free scale and airflow polish plus a TWDC goody bag filled with oral hygiene products including, a range of Tepe brushes, floss, mouthwash, Glyde floss picks, a range of toothpastes and more.

For your chance to win this great prize all you need to do is correctly answer the following question: What is the name of the system we use to complete our Airflow polish? (Here's a hint) Use our website to help you find the answer "State-of-the-art ***** Air Powered Tooth Polishing System" Good Luck!

Friends & Family Test

Each month we survey our patients and we are proud to say that this month 100% of you said that you would recommend us to friends and family - thank you!!

Our nurse Bili with this month's certificate

Our Dentist Joe Finally finishes his research project

"For the last 2 years I've been travelling up and down from Manchester University to complete a masters degree in dental implants.

I had to submit my 20,000 word research project last month and now wait for my results - If all goes well I'll graduate at Christmas time.

Its been a tough 2 years trying to juggle the degree with work and family but Its definitely been worth it as I feel well equipped to care for any of our patients that already have dental implants and need them maintained for the long term, or of course anyone who is thinking of investing in dental implants!

I'm now looking forward to spending some more time with the family and not having to study at the weekends!"

Joe

Smile of the Month- This month's smile makeover

This new smile was created throughout the use of an Invisible brace and Tooth Whitening. Our patient Jennifer didn't like how her teeth crossed over and she could see the spaces in photographs. Here is what she has to say about the treatment:

"Overall fantastic service provided by Joe and the team. I felt comfortable during all visits and overwhelmed with the end results." - Jennifer

We are on the shortlist!

We are pleased to announce that we have been successful in being selected as finalists in the Dentistry Scotland Awards 2018 for two of the following categories:

- Best Patient Care
- Best Child Friendly Practice
- Best treatment of nervous patients

The Dentistry Awards will take place in November, we will let you all know then how we get on then.

Hopefully we will be adding to our collection, but if not we are still delighted to be even nominated as a finalist! We could not have done it without all our wonderful patients!

Oral Hygiene Tips

- Brush Teeth thoroughly at least twice per day for two minutes. Gently brush in small circle movement where the gum meets the tooth
- Ensure you clean in-between teeth with either floss or Tepe brushes
- Use a water Flosser for those difficult to reach areas, especially for braces, bridges and implants
- Visit your dentist every 6 months for your dental health check
- Attend three monthly dental hygiene visits for a Scale and Polish to remove tartar build ups which cause gum disease
- Limit Sugary snacks and drinks & if having a fizzy drink it is better with a meal and to use a straw.

What you said about us this month...

“It’s a pleasure to go all the staff are so friendly, nothing is a problem to any the staff.”- Joan

“I have always had fantastic service at Tiwari Watson and have already recommended the practice to several friends and family. “- Harvinder

“A fantastic service. Laura made me feel at ease from start to finish. I came to the clinic after a poor experience at another dentist but Tiwari Watson were amazing”- Mark

We really appreciate these and cannot thank our patients enough!
