

Tiwari Watson Dental Care April 2019

WE HAVE A WINNER

We can now reveal that the lucky winner for the Free Airflow Scale and Polish and oral hygiene bag x2 is DENISE CURRAN!

Huge Well done and we hope you had a lovely Mothers day!

Oral Hygiene bag- this could be yours!

The Airflow is excellent for removing stubborn stains.

Easter Extravaganza

As its Easter time we are giving you the chance to win a slightly sweeter prize! We have up for grabs a Luxury Hotel Chocolate Hamper.

To win you have to guess how many teaspoons of sugar are in the whole prize!

Hint > there are definitely too much for 1 person so please tag who you would share this prize with, along with your guess, to our facebook, Instagram or twitter pages.

GOOD LUCK! (ps we will also be giving away free toothbrushes and toothpaste for afterwards! ;-))

Winner will be revealed just in time for Easter Sunday!

This prize could be yours!

Marie Curie

As you are already aware last month some of the team here at the practice spent the day at Tesco raising money for Marie Curie. We are delighted to announce that we had raised over £563! We would like to thank the generosity of the public for your kind donations and for stopping to talk to us!

All proceeds go to Marie Curie in Balornock to help fund care and support for families and patients with terminal illness.

New dentist Kamal

Big welcome to our new dentist Kamal who graduated from Dundee University and he completed his post graduate training in Newport-on-Tay. He has since returned to Glasgow where he has been working in Bo'Ness until he joined us in March. Kamal enjoys all aspects of general dentistry, and also treating those who are anxious. He has a relaxed and calm approach to dentistry, and he will always strive to do his best for his patients. He is a keen runner and having grown up in Glasgow he enjoys trying out new local restaurants with his wife, and spending time with family and friends.

Smile of the Month

First Class Treatment from a First Class Team

From the start of my treatment with Quick Straight Teeth, I have been not only impressed with the speed of treatment but the ease at which it has been completed. Joe (Dr Watson) fully explained everything from start to finish and all staff in the surgery are absolutely delightful. The teeth straightening took no time at all (5 months) and after care has been superb.

There is a lovely warm feeling in the surgery which shows that from the top down everyone seems happy to be there and provide a positive service to clients. Would highly recommend.

 Elizabeth G

Our Patient Elizabeth didn't like her "Nanny Mcphee" tooth as she put it, but this was a lovely result using quick straight teeth braces! Thanks very much to Elizabeth for our kind review!

Teeth Straightening

Here at Tiwari Watson Dental care we offer various teeth Straightening treatments such as clear removable and white fixed braces.

Our Tooth Straightening procedures can be an excellent solution to create that smile you have always wanted and can be a great confidence booster!

At the practice we offer:

Invisalign - which is a clear removable aligner and starts from £50 per month

Quick Straight teeth a fixed appliance from £32.50 per month

* both include tooth whitening worth £250*

Finance

Our finance options are interest free for 1 year and interest bearing up to 5 years

We also offer flexible payment options without taking out finance so please ask us for more details we'd be happy to discuss!

Some examples of the new smiles created here at Tiwari Watson Dental Care by the use of cosmetic braces!

Bridge2Aid update

Currently there are only 111 dentists for 56 million people living in Tanzania and thanks to charities like Bridge2Aid we've been getting once step closer to providing care to 10,000 people that are currently living in pain with no access to treatment.

We are proud to help sponsor the training of Baraka who has now already provided emergency dental care for over 586 patients!

Bridge2Aid is a dental charity that helps to bring emergency dental care to those who unfortunately would have no access otherwise. We are one of only 11 dental practices in the UK to become Gold Unity Partners with Bridge2Aid to help fund and support their amazing work!

**Thank You
Tiwari Watson Dental
Care for helping me
get trained in
emergency dental care**

Advanced gum Surgery Course

Our dentists are always attending new courses to improve skills and help provide the highest standard of care for our patients. This month our dentist Joe attended an advanced gum surgery course, this can be used if your gums have receded a lot and the sensitive root of the tooth is exposed. In certain circumstances the gum can be repositioned to cover the sensitive part. It can also be used for those with a gummy smile to help reduce this. If you have any questions about gum surgery please feel free to ask us - we'd be more than happy to help out.

Back to School

Our Nurses Bili and Gemma visited St Cuthbert's Primary School earlier last month for World of Work Week. They chatted with the children and told them all about what its like to work in a dental practice. Thank You to St Cuthbert's for having us, we really enjoyed meeting all the children.

What you said about us

"There is always a good atmosphere when you get there and the dentist always makes you feel calm"- Kathleen S

"All the staff at Tiwari Watson are fab! I am nearing the end of a very extensive treatment plan with Laura and she has been amazing, the results have transformed my smile. I have also been getting the airflow clean and the results are fantastic ... lovely clean shiny teeth and I get numbed to help with sensitivity pain." -Deborah B
