

Tiwari Watson Dental Care June 2019

WE HAVE A WINNER

Our "Guess the Pet" Competition to win a free Scale and Airflow polish is now over and we can now reveal the answers!

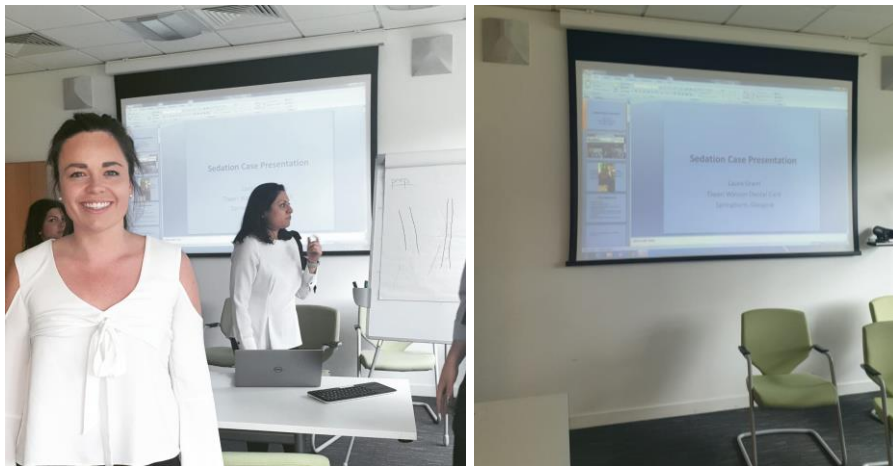

- A is 7
- B is 2
- C is 4
- D is 5
- E is 9
- F is 1
- G is 6
- H is 3
- I is 8

We would like to thank everyone who entered the competition and we can now reveal that the winner is Karen Mackie.

Congratulations!

Sedation Course presentation for Laura

Our dentist Laura had recently attended a Sedation Course at Glasgow Dental Hospital; part of which involved presenting a case to a room full of other dentists. Laura got on really well and has now successfully completed her sedation qualification.

Sedation Update

Our Dentists Raashi and Joe received their new Sedation Certificates after attending a top-up course, where they updated their skills in Intravenous Sedation.

IV Sedation is an option available at the practice for our slightly more anxious patients as this puts them at ease and makes them feel much more relaxed, allowing them to have their treatment carried out.

What is Sedation?

Sedation involves a drug called midazolam which can help you feel more relaxed if you are anxious about dental treatment. Please ask us for more information if this is something you think you would benefit from.

Instagram Giveaway!

We are also running an Instagram Giveaway competition. This involves getting our Instagram page to 1000 followers! Once we reach this number of followers, we will be giving away a £100 Silverburn gift voucher to one lucky winner!!

Follow us @tiwariwatson1 and tag your friends for a chance to win this huge giveaway!

Happy Patient Stories

This is our twin patients Frances and Margaret who are very pleased with their new smiles provided by our new dentist Kamal who is also a twin, has now officially started full-time at the practice. Kamal looks forward to meeting our patients and welcoming new patients to the practice.

Happy patient George had his dentures fixed in place with implants 3 years ago and attends for regular review appointments every year. Implants have helped to serve his smile and give him the ability to chew comfortably.

Always nice to see our lovely patient Jane, she was referred to us to replace her front tooth with a dental implant and 2 years on her smile is looking great!

Bridge2Aid fundraising day

On Thursday 6th June we will be having a fundraising day to try and raise more money for bridge2aid. We will be participating in the "Smile in Pink"

The day will include raffles, cake sale and more!

Come along and enjoy the fun.

100 GOOGLE REVIEWS!

We have reached over 100 Google Reviews! We would like to say a huge thank you to all of our kind patients who have taken the time to leave us these great reviews. Our overall rating is 5.01 from our first 100 reviews!

Welcome to the team

We would like to wish a warm welcome to our expanding team new Dental Receptionist Georgina.

Georgina will be working at the practice full time and looks forward to meeting all of our patients!

Golf

Our Dentists Joe and Laura teamed up for a round of golf against their friends Samad and Paul from Carntyne and Tollcross Dental. We were in with a good chance of winning against the other practice as Laura has previously represented Ireland playing golf so she is not that bad! Joe did learn a few skills from her whilst she carried them both through the round to victory for Tiwari Watson Dental Care! Well Done to Laura and Joe.

Periodontal Course

All our staff are committed to continuously improving their skills, this month, our therapist Rebecca will be attending a Periodontal Course in Dundee. This course is all about providing the best periodontal care to our patients and learning as well as sharing extensive knowledge.
